## Reading Programme - Reading Worksheet 2

### To the Teacher:

Beginners can face difficulties in the first chapter when they are just 'getting into' a book. This worksheet is designed to guide readers to acquire some of the basic strategies that experienced readers use when they encounter first chapters. The worksheet can also be used as lead-in to journal entries.

### Reading Worksheet 2

Read the first chapter and stop!

Title: \_\_\_\_\_

Author: \_\_\_\_\_

Read the first chapter of the book and fill in the details

Sample entries are based on **'To Kill A Mocking Bird'** by Harper Lee

| Main Characters                   | Qualities               | Main Problem/idea in the story             | Interesting points  | Prediction   |
|-----------------------------------|-------------------------|--|---|--|
| Atticus Finch,<br>Scout,Jem,Dill, | Emotional,<br>impulsive | Maycomb<br>society and its<br>inhabitants. | The father's<br>relationship with<br>his children<br>The story is told<br>from Scout's<br>point of view | Scout might get<br>into trouble<br>Her father<br>might have to<br>help her |
|                                   |                         |  |   |  |
|                                   |                         |  |   |  |
|                                   |                         |  |   |  |
|                                   |                         |  |   |  |
|                                   |                         |  |   |  |
|                                   |                         |  |   |  |
|                                   |                         |  |   |  |
|                                   |                         |  |   |  |
|                                   |                         |  |   |  |
|                                   |                         |  |   |  |
