

Reading Programme - Reading Worksheet 4

Fill in this table about the problems faced by the different characters in the book:

Social moral cultural

Examples are from "To Kill a Mocking Bird" by Harper Lee

Social

Atticus has to defend an unpopular African – American, accused in a case where popular sympathy lies with someone else. This leads to many social problems for his family...

Moral

Atticus is convinced that he should take up the case even though he is advised against doing so...

Cultural

The clear division between African Americans and others in small town Maycomb at the turn of the century tells us that...
